Thanks so much Barbara. As you may know from Robin's email response, she is out of the office until July 10.

As I look at our calendars, July 12 in the afternoon, July 17 in the afternoon, or July 19 any time would work for us. Would any of those times work for you?

Cheryl

**Subject:** resuming discussions of WI LAR issues covered in 2012 Wisconsin AG letter

cheryl, robin – as a followup to yesterday's conference call with bob kaplan, cathy stepp and others, i am reaching out to you to schedule one or more conference calls to continue the discussions of issues covered in the 2012 wisconsin attorney general letter relative to the WI LAR review, which were placed on temporary hold late last year after a mutual agreement that the agencies would focus on the review of rule packages 3, 4, and 5. the goal of the call(s) would be to review each issue in light of our past discussions and complete the resolution and/or path forward for as many of these issues as possible, as soon as possible prior to the anticipated august managers' meeting.

present on the calls for EPA would be sarah stillman and myself, but if you would wish higher level of management to attend we can look for other times. the times below work with sarah and my schedules; could you please let me know what dates/times may work for you and whoever you would wish to also join these calls?

Here are some proposed dates/times:

wednesday, july 5, from 1-2 pm or 3-4 pm

thursday, july 6 from 1 – 2 pm

monday, july 10, from 9 – 10 am or 3-4 pm

tuesday, july 11, anytime between 9 am and 12 pm

please let me know if any of these would work or if you have other times, please propose them. thanks very much.
